

FOR IMMEDIATE RELEASE

## NABI Announces Relocation of West Coast Service Center

**Anniston, AL** (March 08, 2010) – North American Bus Industries, Inc. (NABI) is pleased to announce the move into its new West Coast Service Center located at 10293 Birtcher Dr., Bldg. 1, Mira Loma, CA 91752, from its present location at 3450 E. Philadelphia St., Ontario, CA. The move is scheduled to take place this month.

“This new service facility will offer a more convenient location and additional secured parking for our Southern California customers as more new NABI buses are continuing to be delivered into the LA metropolitan area”, states

David Warren, Sr. Vice President. “This is a move in the right direction to not only offer reliable and state of the art styled transit bus products to our customers, but to provide a facility to better serve our very important customer base in the Southern California market”.

The new larger, more modern premises (35,000 sq feet) are approximately seven miles from the Ontario International Airport and less than two miles from the interstate 15 and highway 60 freeway interchange. The outside of the facility is a secured lot with a NABI only access gate and fencing on all sides.

**About Us:** North American Bus Industries, Inc. produces a comprehensive line of innovative, heavy-duty transit buses from 31’ to 60’ (articulated) transit buses at its headquarters in Anniston, Alabama. North American Bus Industries prides itself on its environmentally responsible vehicles with CNG, hybrid-electric and clean diesel propulsion systems. North American Bus Industries is the market leader with its sleek and stylish BRT (Bus Rapid Transit) vehicles which offer cost-effective alternatives to expensive light rail. Also, North American Bus Industries Financial Services offers a suite of customer focused financing alternatives to help its customers optimize their budgets.
